PROJECTS

NYSC Project Coordinator(FRSC club). Abi LGA 2016

As part of our Community Development Service (CDS) Projects, I by God's grace coordinated a group of Corpers on the documentation of the various Pot holes, Failed roads, and Roads without traffic or road signs on the Federal roads of Abaomege and Calabar-Ikom, Cross River State, Nigeria. The various defects on these roads were detailed in our project report in order to stimulate urgent attention from both the State and Federal Government.

I also coordinated the conduction of some series of lectures for the major road users in Abi LGA, Cross River State, Educating them on Safety Measures that must be taken or adhered in order to prevent or minimize road crashes and eventual loss of lives.
