OBJECTIVE

As an intending professional with a remarkable record as an industrial trainee in various workshops, I am seeking an employment setting that will utilize my knowledge, creativity, skill and experience in workshop practices and management and expose me to new techniques, methodology and workshop experience.

PROFILE

I am a dedicated and humble person. I have excellent interpersonal and strong analytical skills and ability to communicate concisely and confidently. I am a budding young talent who is diligent, resourceful and willing to learn. I am interested in building a career that will add value to the organizational goals as well as provide an opportunity for self-development.
