Sex: Male

D.O.B. 25/09/1987

I am an energetic, young and dynamic, goal getting, fresh graduate of Animal Physiology from the Federal University of Agriculture, Abeokuta. My cool and calm nature over time prompts my right and timely choice of decisions; this earned me many leadership accolades by my colleagues. I am currently seeking for employment in an open, friendly and professional environment where ideas are shared and opportunities seized.

KEY SKILLS

Communication (Written)

- Express myself clearly and concisely in writing
- Take good notes from lectures and seminars

Communication (Verbal)

- I give spontaneous and quick answers to questions
- Ability to explain designed ideas and plans clearly
