Location: Lagos

About Me

A well-presented, self-motivated and confident graduate who has extensive knowledge on how to successfully assess risks in the environment and develop a plan to mitigate them. Also knows how to assess the trends in the society and then develop and implement suitable strategic plans for them. Having exceptional multi-tasking and organizational skills, all of which are imperative when working closely with professionals. Now looking to further apply my knowledge by finding a suitable position with a progressive employer.
