PERSONAL STATEMENT	I don't have a specific ideal work environment as I am flexible. I can easily adjust to different Environments without any issues. But I really enjoy the environment that is fast-paced as it's an ideal environment to be creative in and take initiative and I enjoy workplaces where teamwork is important. I believe that it's only in team-driven work environments that people can be productive and perform to the best of their abilities.
OBJECTIVE	To be a preemptive, versatile and proactive person in all my doings through self-development, attentiveness, strong will and hard work driven by ceaseless passion for excellence and productivity. Strong desires for organizational development through cooperation and integrity.
