EXECUTIVE SUMMARY

Okunade Odunayo Adedamola a native of Awe Oyo state, born on the 15 December, 1992, Single. I am a graduate of Federal University of Technology Akure (FUTA) where I studied Microbiology, with intention to study further and not remained static.

I have experience in both food industry and medical laboratory, I have great laboratory management skills, sampling, running of organic and inorganic samples and also culturing of microorganisms. It is worthy to be mentioned at this point that I have one international publication which I did in collaboration with two other scientists. Besides, I have attended training on sampling Techniques, Food, Water, Cosmetics, Petrochemical products analysis, and Environment in this relevant field.

Finally, I am a goal getter individual who is ready to learn, teachable and that can work under pressure, flair for research and have tremendous multi tasking power. I see myself at the apex of my career in the nearest future and adding ample value to my society at large.
