Objective

Inquisitive, energetic computer science specialist skilled in leadership, with a strong foundation in math, logic, and cross-platform coding. Seeking an opportunity in a performance-driven and highly rewarding environment that will best utilize my skills and experience.

Experience

- **Heavens Grace School, Alakuko, Ogun State** **December 2021 - November 2022**
Computer Science Teacher (NYSC)
 - Delivered engaging curriculum through diverse methods of classroom instruction, computer lab activities and online learning systems.
 - Trained and developed students' skills in word-processing, spreadsheet and database programs.
 - Managed and maintained computer systems, equipment and mobile devices by troubleshooting hardware and software issues, cleaning out keyboards and wiping down computer surfaces.
 - Maintained orderly classroom stocked with appropriate supplies.
 - Used lectures, demonstrations and discussions to instruct students individually and in small groups.
 - Created clear, engaging lessons to draw interest and develop students to program in BASIC and Python languages.
 - Trained and developed students' skills in word-processing, spreadsheet and database programs.

- **ShepherdHill Research Consultant, Lead City University, Ibadan** **June 2020 - November 2020**
Research Intern (SIWES)
 - Coded data in preparation for computer entry.
 - Gathered, arranged and corrected research data to create representative graphs and charts highlighting results for presentations.
 - Completed research, compiled data and assisted in timely reporting.
 - Assisted with preparing project-related reports, presentations and manuscripts.
 - Prepared tables, graphs and fact sheets to summarize research results.
 - Led projects and analysed data to identify opportunities for improvement.

- **New Horizons, Lead City University, Ibadan** **July 2018 - January 2019**
Python Developer Intern
 - Worked closely with peers to identify issues and provide suitable resolutions.
 - Sat in on design team and planning meetings.
 - Analyzed source code to identify functionality issues.
 - Delivered project reports and milestone updates to supervisor.
 - Partnered with team members to learn best practices in software design.
 - Coordinated project tasks among multiple departments.
 - Collaborated effectively with members of software development team and personnel in other departments.
 - Wrote clear, clean code for various projects.
 - Tested new applications for usability and adherence to code plan.

Education

- **Lead City University, Ibadan** **2017-2021**
Computer with Electronics (Bachelor of Science)
First Class
- **Olivet Baptist High School, Olivet Heights, Oyo** **2014-2017**
Senior Secondary School Certificate

Skills

- Python Programming
- Data Visualization and Analysis

- Arduino Programming
- IoT Design and Development
- Research and Report Writing
- MOS Word

Interests

- Reading
- Coding
- Researching
- Video Games

Certifications and Licenses

- **Certificate of National Service (2022)**
NYSC
- **Microsoft Office Specialist (2021)**
Microsoft
- **Customer Relation Management (2021)**
IPD-CRM
- **HCIA Routing and Switching (2020)**
Huawei Technologies
- **Professionalism in the Workplace (2020)**
Liprorich Consulting Limited
