DOB: October 16th, 1994 (26 years)

Marital status: Single

Language: English and Yoruba

Gender: Male

Address: AD, Zone 5, Papa Adogba Monatan Area, Iwo Road, Ibadan, Oyo State.

CAREER OBJECTIVE

As a fresh graduate of Aircraft Maintenance Engineering from the prestigious Air Force Institute of Technology Kaduna, I am poised to deploy my expertise and leadership skills towards the attainment of organizational objectives. I live on the principle that success is attained when opportunities meet preparation; I am willing to combine personal and professional experiences in the discharge of my duties and ultimately towards excellently achieving the organization's desired goals. I desire to work in firm where my talent can be nurtured, my gift will be unleashed and where I can learn on international best practices and ultimately get prepared to take on the world. As a young man with boisterous energy and a willing heart to learn, I believe that I will be an invaluable asset to your firm.

SOFT SKILLS

- Ability to use the computer effectively (Microsoft word and PowerPoint).
- Ability to make friends easily.
- Ability to work effectively within a team
- Ability to lead a team to achieving predetermined goals
- Strong eyes for details and commitment to achieving excellence
- Ability to work in a culturally diverse setting
