### SUMMARY

Licensed special education teacher with 5+ years of experience and skills developing and implementing robust teaching programs. Seeking position at Plateau State School for the Deaf, Jos. At the institution, taught classes of 28+ special education students. Raised test scores 25% through better lesson plan development. Trained 3 other teachers in advanced special education techniques.

### OBJECTIVE

As a Special Education and Government teacher with nearly 7 years of experience in early childhood education, special education needs, and taught at different classes. I am seeking the opportunity to serve as Special Education and Government teacher in your academy. I am eager to use my proven leadership skills to continue to promote the legacy of quality education set by the school, and help prepare students for future success.

### EXPERIENCE

#### Plateau State School for the Deaf

June 2016 - June 2020

Special Education cum Government Government Teacher

Taught classes of 20+ special education students full time for 3+ years.

Developed new research-based teaching strategies, raising student engagement 30%.

Raised student test scores in Government 25% through creating new, student-interest-centered lesson plans.

Collaborated with parents, teachers, and school administrators to address educational and disciplinary problems.

Integrated technology into the classroom.
